MEMORANDUM FOR:

25X1

FROM: Walter Elder
Executive Secretary, NFIB/NFIC

SUBJECT: DCI Directive\$- Espionage and Counterintelligence

1. Per our conversation, please consider the attached draft on counterintelligence as a companion piece to the draft on espionage which I sent you on 6 April 1982.

2. I don't see how we can handle both in one directive, and I don't think we can finesse the espionage issue without getting into vast confusion with overt intelligence collection.

3. There's another piece to the puzzle--an umbrella directive on services of common concern. This should present no problem, and I'll send it to you shortly.

4. At this point, my emphasis is on completing the Volume I series of broad charters. The implementing details (Volume II) can wait.

5. I look forward to your comments on this and on the defector business.

25X1

Walter Elder
